WAX TOP HIGH GLOSS WAX POLISH

For best results follow these recommended steps:

- Wash and Dry vehicle if necessary.
- Shake the bottle of Wax Top.
- Apply a small amount of Wax Top to a lint free clean cotton cloth.
- Using light pressure apply Wax Top to the surface in an overlapping action to ensure even coverage.
- Allow Wax Top to dry to a haze.
- Buff the surface with a clean soft polishing cloth – Farécla Finishing Cloths are ideal.

Product tips:

- Large areas can be worked on at a time due to the easy to remove formula of the polish.
- Any residue on rubber and trim can be easily removed by wiping with a soft, clean damp cloth.
- Farécla Wax Top can be applied in direct sunlight.
- Farécla Wax Top also exhibits excellent water and dirt repellent properties.
- We recommend the use of a Farécla Finishing Cloth for final finishing. The micro-fibre cloth cleans, polishes and quickly absorbs the remaining residue, speeding up the process even further.
